Within 18 months from the adoption of this MOU, employees having the payroll classification of Police Officer, who are POST Certified, will receive the provisions of POST bonuses set forth in Section 6.10.105 (A)(4) of the County Code. Departmental management shall only be required to provide reasonable training to assist employees to achieve Basic POST Certification. Training for Intermediate and Advanced Certification shall be entirely at the employee's expense.

Section 2.

Notwithstanding the provisions of Section 1 of this Article, effective July 1, 2001, in addition to the salary set forth for the classifications in the Salary Article of this Memorandum of Understanding, employees covered by this agreement shall receive a twenty-six (26) standard salary "level" bonus for successful completion of Basic Post Training and/or presentation of the Peace Officer Standards and Training Certificate at the Basic level, commonly called a "Basic POST Certificate," or thirty-eight (38) standard salary "levels" for successful completion and presentation of the Intermediate Peace Officer Standards and training certificate, commonly called the "Intermediate POST Certificate," or fifty (50) standard salary "levels" for successful completion and presentation of the Advanced Peace Officer Standards and Training Certificate, commonly called the "Advanced POST Certificate."

The date on which training is completed, or the date of issue on said Certificate shall be the effective date for the award of the bonus for payroll purposes, except when new employees possess a POST certificate upon employment, then the date for the award of the bonus shall be the date of employment.

Departmental management shall only be required to provide reasonable training to assist employees to achieve Basic POST certification. Training for Intermediate and Advanced Certification shall be entirely at the employee's expense.

Employees who do not qualify for the Basic POST bonus as set forth above, shall remain eligible for the twenty-six (26) standard salary "level" bonus by certifying to management every six (6) months that steps are being taken (training or education, not experience) to achieve the Basic POST Certificate.

In no event shall an employee be compensated under this Section for any period of time such employee held POST Certificate prior to August 1, 1992.

Section 3. Shooting Bonus

The parties agree that employees in this Unit shall be entitled to Shooting bonus compensation pursuant to the provisions of County Code Section 6.10.110(A) as follows:

Bonus positions shall be compensated with a bonus of two (2) standard salary schedules (5 ½%) above the salary schedule of the employee.

The Bonus Appendix will be in effect in the Office of Public Safety during the term of the Memorandum of Understanding.

ARTICLE 9 OVERTIMESection 1. Compensation

The parties agree to jointly recommend to the County's Board of Supervisors that overtime shall be compensated as follows:

A. Non-Exempt Employees

The County will pay overtime for all hours worked in excess of forty (40) in one week. "Hours worked" will be calculated as provided for by the Fair Labor Standards Act, 29 U.S.C. §201, et seq. Hours worked do not include time for which persons are compensated but do not actually work, including but not limited to, sick leave and vacation pay, with the exception that those hours paid during a workweek for a regular County holiday will be counted in calculating hours worked for overtime purposes.

The County will pay employees for any overtime worked at a rate of one and one-half (1 1/2) times his/her regular rate of pay. Regular rate of pay shall be calculated as provided for by the Fair Labor Standards Act.

An employee may elect compensatory time off, in lieu of pay, at a rate of one and one-half (1 1/2) hours of each hour of overtime to a maximum of 100 hours worked. The employee may exercise this option when the employee

works overtime. Management shall not decide to order or authorize overtime based on an employee's choice of pay or compensatory time off.

Section 2. Usage of FLSA Earned Compensatory Time-Off

- A. An employee shall not be denied a timely request to carry over or take such time off. Requests for time off will be approved based on the needs of the service, as determined by Management, to ensure that such requests do not unduly disrupt departmental operations.
- B. Effective with the implementation of this MOU, with prior approval of Management, new accumulated compensatory time not used during the calendar year in which it is earned may be carried over for up to one (1) year, not to exceed 144 hours of new accumulated compensatory time. Compensatory time not used within the above period shall be paid to the employee as provided by the Fair Labor Standards Act rather than lost.

Section 3. Usage of Non-FLSA Earned Compensatory Time Off

- A. An employee shall not be directed by management to take compensatory time off without at least five (5) business days prior notice nor be denied a timely request to carry over. Requests for time off will be approved based on the needs of the service as determined by Management.

- B. Effective with the implementation of this MOU, with prior approval of Management, new accumulated compensatory time not used during the calendar year in which it is earned may be carried over for up to one (1) year, not to exceed 144 hours of new accumulated compensatory time. Compensatory time not used within the above period shall be paid to the employee at the straight time rate rather than lost.

Section 4. Savings Clause

If, during the term of this agreement, the Fair Labor Standards Act is delayed by law or is determined not to be applicable to all or any classification of public employees or public agencies through legislation, regulation, or court decision, the overtime provisions of the 1983-85 MOU shall be reincorporated into this MOU and applied in this Unit pending a request by either party to meet and confer regarding this article.

Section 5. Distribution of Overtime

Management shall assign overtime worked, including third party events, as equitably as possible among all qualified employees in the same classification in the same organizational unit and work location. In the assignment of overtime under this provision, however, management may consider special skills required to perform particular work.

Section 6. Management Authority

It is agreed and understood that nothing herein is intended to limit or restrict the authority of management to require any employee to perform overtime work, and it is further agreed

that overtime will be ordered and worked only when required to meet the County's public service obligations.

Section 7. Work Week

The work week for employees in this Unit is 40 hours of work in a seven consecutive day period as defined by Management. Normally, the work schedule will consist of five - 8 hour work days, Monday through Friday.

ARTICLE 10 EMPLOYEE BENEFITS

The parties agree to recommend to the Board of Supervisors, for adoption and implementation by amendment to the County Code, the same provisions as those established for the Los Angeles County fringe benefit agreement. For purposes of this Section, it is agreed that such provisions are limited to retirement, long term disability, injury leave, health insurance, dental insurance, rental rates, bilingual pay, life insurance, sick leave, paying off time certificates, meal rates, vacation, bereavement leave, holidays, once-a-month paychecks, and workforce consultation committee.

The parties further agree that this Article shall be effective upon adoption by the Board of Supervisors of either this Memorandum of Understanding or the above designated provisions for the Coalition of County Unions, whichever occurs later.

Where the fringe benefits agreement provides for negotiations during or after the term of the fringe benefits agreement, the County will meet and confer with authorized representative of LACPOA.

ARTICLE 11 CALL BACK

Whenever an employee is unexpectedly ordered by his Department Head or designated management representative to return to work following the termination of his normal work shift and departure from his work location, the employee shall receive a payment of four hours' pay at the rate of time and one-half of the employee's regular rate of pay. Work performed in excess of four hours will be compensated for in accordance with provisions of Article 8, Overtime. If an employee should complete work required, leave the work location, and subsequently be recalled during the four-hour period being compensated for as a result of the initial call back, no additional compensation will be paid until four hours have been worked by the employee; i.e., there shall be no pyramiding of time and one-half pay as a result of call back.

If an employee's work schedule must be altered to accommodate operational requirements on any scheduled work day and the employee is required to report for work up to two hours earlier than his normal shift starting time, this shall be considered an early shift start and not a call back. Employees assigned to an early shift start will be allowed to work to the end of their normal shift provided work is available in their classification.

ARTICLE 12 STANDBY PAYSection 1. Standby

It is understood and agreed that employees in this unit who are assigned regularly scheduled periods of authorized standby service at off-duty times shall receive a 25 cents per hour bonus for such service to a maximum of \$90 per month.

Management shall specify at the beginning of each quarterly period commencing January 1, 1998, the number of employees by classification that are required to be available for standby work. Each employee within a department may specify to the department that such employee does not desire to be available for standby work. In the event an insufficient number of employees are available for such standby work, then the department may assign standby work to employees on the basis of the least senior employees in the department being so assigned.

No additional compensation for standby status shall be made since the employee placed on standby is not "unreasonably restricted" so defined by the Fair Labor Standards Act.

Section 2. On-Call Subpoena

Pursuant to the procedures established in cooperation with applicable courts, the parties agree that employees covered by this memorandum of Understanding who receive an on-call subpoena and remain on-call during off-duty hours for court appearances, shall receive one-half their hourly rate, as defined by the Los Angeles County Code for their classification, for each hour that they are on-call including travel to court as a result of

having received a call to appear. However, in no event shall an employee who receives an on-call subpoena, which is not cancelled prior to the date of the subpoena, be compensated for less than two (2) hours of on-call including travel to court. The on-call status will commence at the time for appearance specified in the subpoena, and will end when the employee is relieved from on-call status by the court or the Watch Commander at their unit, or upon arrival at the court in response to a call. It is further agreed that employees assigned to an evening or early morning shift, or those on their day off, shall, upon receipt of an on-call subpoena, notify the Watch Commander of their unit of their on-call status. Employees in an on-call status shall contact their Watch Commander by noon of the day set for appearance to confirm their status if they have not been contacted earlier. If the employee is on an on-call status at the end of the court day, the Watch Commander shall notify the employee at the end of the court day whether he/she is to remain on-call the following day. Employees receiving an on-call subpoena shall report to court only when called to appear. Employees who are called to appear in court on an overtime basis shall receive overtime compensation at the rate established for their classification.

Section 2. Must Appear Subpoena

Employees who are required to appear in court during off duty hours as a result of a must appear subpoena shall receive three (3) hours minimum plus actual time in court over two (2) hours (includes travel time and evidence pick-up).

Section 3. Increments of Time

Time earned, credited and paid pursuant to Sections 1 and 2 above shall be in increments of 15 minutes.

The above provisions will remain in effect for the term of this contract unless superseded by order of the Board of Supervisors.

Emergencies shall be defined as acts of God such as, but not limited to, earthquake or floods; other circumstances beyond the control of Management such as fires or power failures; or an official emergency declared by the Board of Supervisors of the County of Los Angeles. However, such emergency assignments shall not extend beyond the period of such emergency.

ARTICLE 21 TRANSFERSSection 1.

Employees who desire to be transferred to a specific work location within their own department may submit a written request for transfer to their own department/hospital personnel office. Requests filed hereunder shall be valid for a period of one year from date of filing and must be renewed by the employee if he/she still desires to be considered for transfer beyond that date.

As openings occur, Management will review the requests for transfer currently on file. Those employees who have filed for transfer shall be reviewed in light of their performance and the requirements of the available opening. Management will then select one of the qualified employees to fill the vacancy, giving first consideration to the most senior employee. The employee selected shall be advised of his/her selection within five working days of the selection and will be transferred to his/her new assignment within 30 days of the date of selection.

When openings occur as a result of opening new facilities, the provisions of this Article shall be applied only to the degree practicable.

For purposes of this Article, seniority shall be based upon continuous service in the classifications within the department.

It is understood that this Article does not modify Management's right to promote an eligible employee who is working in the Unit or work location where the vacancy occurs.

ARTICLE 22 OUT-OF-CLASS ASSIGNMENT

Section 1. Definition

- A. For the purpose of this article, an out-of-class assignment is the full-time performance of all the significant duties of an allocated, vacant, funded position in one class by an individual in another class.

This bonus is paid pursuant to the conditions described below.

Section 2. Conditions

- A. If an employee is assigned to an out-of-class assignment for more than 20 consecutive working days, management shall, upon the employee's or union's written request for relief either:

If the person is appointed within 30 calendar days from the date of request for relief, no bonus under this article is to be paid.

pay the employee the bonus. The bonus begins 30 calendar days from the date of request for relief, and terminates when the conditions of this Article are no longer met.

This bonus is not applicable to persons employed on a temporary, recurrent, or less than full time basis.

- B. It is the intent of Management to avoid working an employee on an out-of-class assignment for a prolonged period of time.

Section 3. Special Provisions

- A. Nothing herein shall be construed to limit the authority of Management to make temporary assignments to different or additional locations, shifts or work duties for the purpose of meeting emergency situations over which the department has no control.

- B. Nothing in this article shall be construed as limiting Management's authority to make temporary, incidental assignments on higher rated classification work, or to assign employees out-of-class for the purpose of training without any additional compensation for the duration of such training. Written confirmation of such assignment will be placed in the employee's personnel file upon request of the employee.
- C. It is agreed that the provisions of this article will be applied within departments and districts within the County and is not intended to apply across departmental organizational units.
- D. Upon the employee's written request a written confirmation of his/her out-of-class assignment shall be placed in the employees personnel file after completion of the out-of-class assignment. A copy will be provided to the employee.

Employees shall be entitled to take authorized vacations in accordance with the following procedures:

2. The employee with the greatest seniority within a classification will be given the opportunity to have first choice of his vacation schedule, with the other employees in the same classification being given their choice of vacation schedules in descending order of seniority.
3. Having one made such a choice, no employee may change his vacation schedule if such change will conflict with the choice of any other employee in the facility or unless the affected employee and Management agree to such a change.
4. For the purposes of this Article, employees assigned to a facility after the annual vacation schedule has been prepared waive any seniority rights they may have had until the next annual vacation schedule is prepared.

5. For the purposes of this Article, seniority shall be defined as the total amount of continuous service within a classification with the department. An employee may exercise his seniority only within the work location to which he is permanently assigned.
6. In the case of a tie involving two or more employees, the opportunity to choose a vacation schedule will be given to the employee in the order of their County seniority.

ARTICLE 24 PERSONNEL FILES

An employee, or his certified representative with the written consent of the employee, may inspect that employee's personnel file with the exception of all material obtained from other employers and agencies at the time that employee was hired.

An employee shall be advised of, and entitled to read, any written statement by the employee's supervisor or departmental management regarding his work performance or conduct if such statement is to be placed in his personnel file. The employee shall acknowledge that he has read such material by affixing his signature on the copy to be filed, with the understanding that such signature merely signifies that he has read the material to be filed but does not necessarily indicate agreement with its content. If the employee refuses to sign, the supervisor shall note his refusal on the copy to be filed along with the supervisor's signature and the signature of a witness to the employee's refusal to sign.

The employee may file a grievance regarding any such document within the prescribed time limits of the grievance procedure. If the employee fails to file a grievance within the designated time limits, the document becomes part of the official file. If the employee does file a grievance within the designated time limits, said document would not be placed in the official file until the grievance procedure or civil service appeal rights have been exhausted. Grievances filed under this provision shall not be subject to the Arbitration provisions of the Grievance Procedure unless they involve violation of a specific provision of this agreement.

Management agrees that no properly used full paid sick leave used in the twelve months immediately prior to an Appraisal of Promotability or a Performance Evaluation will be referenced on such forms.

On reviewing his personnel file, an employee may request and have any written warnings and/or written reprimands issued more than two years prior removed from his personnel file except as such may be a part of an official permanent record.

ARTICLE 25 LEAVES OF ABSENCE

Section 1. Pregnancy Leave

The parties agree that departmental management shall grant a leave of absence without pay to any full-time permanent employee who becomes disabled as a result of pregnancy, which disability prevents her from performing the duties of her position. Such leave must be requested in writing by the employee and will be granted pursuant to Civil Service Rules and such procedures as are determined by the Chief Administrative Office and by the department head.

The parties further agree that upon commencement of an authorized pregnancy leave of absence, and full-time permanent employee disabled as a result of pregnancy, which disability prevents her from performing the duties of her position as certified by her physician may use sick leave benefits for which she is otherwise eligible in the same manner as for any other disability resulting from sickness or injury.

The Association may have not more than one (1) employee in the unit on leave of absence to accept employment with the Association. These leaves are subject to Civil Service Rules.

The employee must be an elected or appointed official or full time representative of the Association with a minimum of one (1) year's continuous employment with the County.

The requested leave shall only be granted if the prime reasons for the leave shall be to conduct Association business as it is related to County functions. The leave shall be without County pay or benefits of any kind. In no case shall an individual employee's leave extend beyond a year.

Upon request a copy of the decision will be given to the union representative.

- C. If the department head or his/her designated representative fails to give a decision within the specified time limit, the union shall have the option of referring a grievance alleging a violation of the negotiated agreement between the parties to arbitration.
- D. On matters that are not subject to arbitration pursuant to Section 8 hereafter, the written decision of the department head or his/her designated representative shall be final.

If the parties cannot agree on an arbitrator, they shall notify the Employee Relations Commission and request that they provide the parties with a list of five names from which the parties will attempt to mutually select an arbitrator. If the parties cannot mutually agree upon an arbitrator from the lists of arbitrators provided by the Employee Relations Commission, they will select an arbitrator through an alternate striking of names from that list. The party to strike the first name will be determined by chance.
- E. Arbitration of grievances hereunder will be limited to the formal grievances as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. ARTICLE 28 GRIEVANCES - GENERAL IN CHARACTER

In order to provide an effective mechanism whereby disagreements between the Union and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the Unit may be effectively resolve, the following procedures are agreed upon.

- A. Within ten (10) business days from the occurrence of the matter on which a complaint is based or within ten (10) business days from its knowledge of such an occurrence where the Union has reason to believe that Management is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, the Union may request in writing that a meeting be held with the authorized representatives of the County who have authority to make effective recommendations for the resolution of the matter with copies to the department heads involved and to the Chief Administrative Officer. Such written request shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought.

Within ten business days of receipt of the request for such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.

- B. Within five business days of such meeting, and in the event the matter is not satisfactorily resolved, the Union shall have the right to meet with the principal representative(s) of the County who have authority to resolve the matter.

For purposes of this provision, Management's principal representative(s) shall mean the County department heads who have authority to resolve the matter or their authorized representatives, including the Chief Administrative Officer or his authorized representative.

- C. Within ten business days after the meeting provided in (B) above, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 8, Subsection B of Article 25 the disagreement may be submitted to arbitration in accordance with the provisions of Section 8 of Article 25 of this Memorandum of Understanding.

It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article 25 of this Memorandum of Understanding. Instead, this Article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the application of the terms of this Memorandum of Understanding affecting the working conditions of a significantly large number of employees in the Unit, as distinguished from the rights of individual employees. Accordingly, the parties agree that the procedures set forth herein shall not be

implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees, and otherwise processed through the grievance procedures set forth in Article 25 hereof.

ARTICLE 29 ASSOCIATION REPRESENTATIVE

The Association may have one representative on each shift at each facility within each department when ten or more officers are assigned to a shift at such facility. There shall be a minimum of one representative designated at each facility even though there may be less than ten officers assigned on any shift. Where there is no designated representative, the Association may appoint representatives on an ad hoc basis to handle any individual grievance which may arise or the grievant may request that an Association staff representative process his grievance. For purposes of this Article, a "facility" is defined as a major building such as a hospital, a museum, or the Kenneth Hahn Hall of Administration or the central location within a department where officers report for work prior to manning their assigned posts.

The Association shall give each department or district head having employees in the Unit and the Chief Administrative Office a written list of the names of employees selected as representatives which list shall be kept current by the Association.

The Association agrees whenever investigation or processing of formal grievances is to be transacted during working hours, only that amount of time necessary to bring about a prompt disposition of the matter will be utilized. Association representatives, when leaving their work locations to transact such investigations or processing shall first obtain permission from their immediate supervisor and inform him of the nature of the business.

Permission to leave will be granted within a reasonable time unless such absence would cause an undue interruption of work. If such permission cannot be granted, the representative will be informed when time will be made available. Such time will not be more than twenty-four (24) hours, excluding Saturday, Sunday and legal holidays after the time of the representative's request, unless otherwise mutually agreed to. Prior to entering other work locations, representatives shall inform the cognizant supervisor of the nature of his business. Permission to leave the job will be granted to the employee involved unless such absence would cause an undue interruption of work. If the employee cannot be made available, the representative will be informed when the employee will be made available.

An additional one (1) Association Representative may be designated and present for training purposes only with agreement that this designated Association Representative will not participate either verbally or in writing.

ARTICLE 30 PAYROLL DEDUCTIONS AND DUES/AGENCY SHOPSection 1. Deductions and Dues

It is agreed that Union dues and such other deductions as may be properly requested and lawfully permitted shall be deducted, in accordance with the provisions of applicable State law, monthly by Management from the salary of each employee covered hereby who files with County a written authorization requesting that such deduction be made, or who is subject to an automatic Fair Share Fee or agency fee deduction pursuant to an agency shop provision.

Remittance of the aggregate amount of all dues and other proper deductions made from the salaries of employees covered hereunder shall be made to the Association by Management within thirty (30) working days after the conclusion of the month in which said dues and deductions were deducted.

Section 2: Security Clause:

Any employee in this unit who has authorized Union dues deductions on the effective date of this agreement or at any time subsequent to the effective date of this agreement shall continue to have such dues deduction made by the County during the term of this agreement; provided, however, that any employee in the Unit may terminate such Union dues during the period September 1st through September 30th, in any year of the contract, by notifying the Union of their termination of Union dues deduction. Such notification shall

be by certified mail and should be in the form of a letter containing the following information: employee name, employee number, job classification, department name and name of Union from which dues deductions are to be canceled. The Union will provide the County's Auditor-Controller with the appropriate documentation to process these dues cancellations within ten (10) business days after the close of the withdrawal period. In the event an employee utilizes this clause the fair share/religious objection provisions of this article shall govern.

Section 3. Agency Shop Election

If at any time during the term of the Memorandum of Understanding, 30 percent of the employees represented by this Bargaining Unit sign a petition to request an agency shop agreement, the Union shall have the right to conduct a secret ballot election at any time during the term of the Memorandum of Understanding to determine whether a majority of the employees in the Bargaining unit, who vote, are in favor of an agency fee agreement as provided in G.C. 3502.5.

This election shall be administered by the Employee Relations Commission. The Employee Relations Commission shall notify the County and the Union of the results of the election. The Union shall pay for the costs of the election.

If a majority of the employees in the Bargaining Unit who cast ballots, vote in favor of an agency shop fee, the Union Shall notify the County of its intent to implement an agency shop agreement. Immediately, thereafter the Union shall notify all employees in the

Bargaining Unit that they will be required, as a condition of continued employment, to pay the Union a service fee as provided in G.C. 3502.5(a)

If the majority of the employees in the Bargaining Unit, who vote, do not vote in favor of agency shop, the MOU provisions of maintenance of membership set forth in Section 2 shall apply for the term of this MOU.

Section 4. Agency Shop

If a majority of those employees voting, vote in favor of agency shop, then the following provisions shall apply:

A. Agency Shop Defined

It is mutually agreed by the parties that the term "agency shop" means that every employee represented by this Unit shall, as a condition of continued employment, either join the certified majority representative organization; or pay the organization a Fair Share Fee equal to Union dues; or pay an Agency Shop Fee; or pay a sum equal to the Agency Shop Fee to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)3 of the Internal Revenue Service Code.

Section 5. Religious Objections

An employee who is a member of a bona fide religion, body, or sect which has historically held conscientious objections to joining or financially supporting public employee organizations, shall not be required to join or financially support the Union. Such employee

shall, in lieu of periodic dues or Fair Share Fees, pay sums equal to Agency Shop Fees to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code. Such sums shall be paid through payroll deductions to eligible charitable agencies available through the Los Angeles County Charitable Giving Program.

Section 6. Agency Shop

It is mutually agreed by the parties that this Unit is an agency shop Unit.

Section 7. Rescission

It is mutually agreed by the parties that the Agency Shop provisions in this agreement may be rescinded by a majority vote of all the employees represented by this Unit under procedures established by the Employee Relations Commission. In the event such rescission should take place, then the procedures as described in Section 1 of this Article shall prevail. There shall be only one election during the term of this agreement.

Section 8. Union Responsibilities - Hudson Notice

The Union agrees to provide notice and maintain constitutionally acceptable procedures to enable non-member agency fee payers to meaningfully challenge the propriety of the use of agency fees as provided for in Chicago Teachers Union Local No. 1, AFT, AFL-CIO et al. V. Hudson, 106 S. Ct. 1066 (1986). Such notice and procedure shall be provided to non-member agency fee payers for each year that the agency shop agreement is in effect.

To be selected for such training, employees must have received at least a competent rating on their last performance evaluation.

Employees who successfully complete such training will be given first opportunity to qualify for other positions.

Management agrees to make a reasonable effort to place permanent employees in departmental vacancies when Management determines that these employees are fully qualified for such vacancies.

The Depart of Human Resources shall prepare a listing of employees affected by the layoff and when sufficient advance notice is available, Management shall give such list to the appropriate LACOPA representative prior to the layoff. A Chief Administrative Office, Human Resource designate may consult, based upon appropriate Civil Service Rules, on the accuracy of the list with a LACOPA representative. Complaints arising from layoff arranged for as provide herein shall be handled by appropriate Civil Service procedures.

In the event the County enters into any agreement with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation unit or the law provides for the transfer of functions now being performed by employees in this unit to another public or private agency, the County will advise such public or private entity of the existence and terms of this Memorandum of Understanding and will immediately advise the Association of such agreement or law. In addition, the County will consult with the employer absorbing a County function to encourage utilization of affected employees by the new employer. When a Request For Proposal or other contract solicitation documents are approved and issued, the Employee Relations Division of the Chief Administrative Office will arrange to meet with representatives of the Association to advise them of this action within five (5) business days.

When advance knowledge of the impact of pending changes in function, organization, or operations is available which will result in the abolishment of positions or when there is any major reassignment of functions from one department or another or to another agency, Management will make an intensive effort to either reassign or transfer affected employees to other positions for which they qualify, or train affected employees for new positions in order to retain their services. It is understood and agreed that Management shall have no obligation to negotiate the decision of any reorganization by the County during the life of this agreement.

Management acknowledges an obligation to negotiate the impact on wages, hours and working conditions of the employees in this bargaining unit insofar as such subjects have not already been negotiated.

TO BE JOINTLY SUBMITTED TO COUNTY'S BOARD OF SUPERVISORS

OFFICE OF PUBLIC SAFETYBONUS APPENDIX

It is agreed that the Bonus Appendix, (attached hereto as Appendix "A") will be in effect in the Office of Public Safety (hereinafter referred to as "OPS"), for the term of this Memorandum of Understanding.

BONUS POSITIONS

Definition

Specified jobs within the Police Officer classifications shall be designated as Bonus Level positions and a Bonus of two standard salary schedules (5 ½ %) above the salary schedule of the employee appointed shall be awarded during his or her assignment to these positions.

OPERATIONAL PROCEDURES

BONUS LEVEL

NOTIFICATION OF APPLICATION AND VACANCIES IN BONUS POSITIONS

Competition for the assignment to a Bonus position is the dual responsibility of the individual and the Office of Public Safety (OPS). Individuals must be motivated to actively seek out a Bonus position for which they are qualified. OPS has the responsibility of notifying its personnel as to what positions are Bonus positions and who should be contacted in order to file an application.

To accomplish this, OPS shall biannually (each January and July) initiate a memorandum to all personnel which will:

1. Remind all personnel of the existence of the Bonus Selection Standards Manual.
2. List all existing Bonus positions.
3. Give the title of the person and phone number within the individual units who has necessary information about vacancies and application and selection procedures.

When there is an anticipated or actual Bonus position vacancy, the Bureau shall publish a memorandum to appropriate units identified on the Notification Matrix (Appendix B).

OPS memorandum will contain the following information:

1. Shall articulate the minimum qualifications for the position.
2. Shall include a description of what materials must be submitted for consideration and selection criteria if applicable.
3. Shall identify the deadline for submission of applications for consideration (must be at least 10 business days from date of message).
4. Shall state that a Selection Board shall screen each application received prior to deadline and that only those employees who meet all of the minimum qualifications will be invited to participate in the selection process.
5. Shall state that all appointments to Bonus vacancies will be made only from the list established by the Selection Board.
6. Shall state whether the Selection Board's List will either be Specific (used to fill current vacancies) or Active (used to fill all vacancies that occur during the life of the list).
7. Shall specify the expiration date of the Active List if that option is selected.

Bureau Level Notification

The Bureau memorandum will contain the following information:

1. Shall articulate the minimum qualifications for the position.
2. Shall include a description of what materials must be submitted for consideration and selection criteria if applicable.
3. Shall identify the deadline for submission of applications for consideration (must be at least 10 days from date of message).
4. Shall state that a Selection Board shall screen each application received prior to deadline and that only those employees who meet all of the minimum qualifications will be invited to participate in the selection process.
5. Shall state that all appointments to Bonus vacancies will be made only from list established by the Selection Board, except for previously qualified TO's who need not participate in the Selection Board's process for consideration.
6. Shall state whether the Selection Board's list will either be specific (used to fill current vacancies) or Active (used to fill all vacancies that occur during the life of the list).

7. Shall specify the expiration date of the Active List if that option is selected.
Unit(s) anticipating opening(s) for Bonus position(s) shall post a notification at the bulletin board and brief unit personnel (if briefing is conducted at such unit).

The posting shall include the minimum selection standards for the position as well as the selection criteria. Whenever possible, OPS will allow on-duty applicants to participate in any required interviews, skill demonstration, or other facet of the selection process that would require a personal appearance by the applicant.

Selection - Process and Authorization

The selection of non-Bonus personnel for placement into a Bonus position will be done in the following manner:

1. When there is an anticipated or actual Bonus position vacancy, the Unit, Bureau or OPS will convene a "Selection Board", consisting of a minimum of three Lieutenants. When a minimum of three Lieutenants is not possible, Sergeant(s) may be added to whatever number of Lieutenants are available to reach the minimum of three. This Board will rule on whether or not a candidate meets the minimum requirements of the position. Any interview, written examination, skill demonstration or other form of inquiry required must relate to the Bonus position. All applicants for that position shall be asked the same basic questions during the oral interview component. All basic questions asked of Bonus applicants shall be

germane to the position sought and be designed to elicit responses that will indicate propensity for successful performance in the Bonus assignment.

Unless a member of the Selection Board or an applicant declares that a personality or other conflict exists, whenever possible the same Board members shall be used throughout the selection process for all applicants. (Note: the intent is that all applicants will participate equally in the same testing process).

2. The "Selection Board" will provide an alphabetized list of up to five recommended candidates to the Bureau Chief or, in his absence, the designated Captain, for possible appointment. The list of recommended applicants, prepared by the Selection Board, shall be considered by the Bureau Chief, or, in his absence, the designated Captain, for either: (1) Specific List; or (2) Active List. The life of an Active List shall be six months. However, it may be extended up to ninety (90) days if announced in writing by the Bureau Chief, or, in his absence, the designated Captain, and posted for the term of said extension.

If the Bureau Chief, or designated Captain does not intend to appoint a candidate from the Selection Board's Active List, he shall personally inform the candidate in a timely manner and provide the reasons therefore. (Note: the intent is that applicants will have ten (10) days to initiate the grievance process before the Unit Commander actually fills the Bonus vacancy.) Active Lists shall not be canceled prior to the term specified in the OPS memorandum of extension as long as any qualified candidates remain on the list.

The "Selection Board" shall submit a Bonus Selection and Appointment form (see Appendix) to the Bureau Chief, or, in his absence, the designated Captain, who shall, upon selection of the employee for assignment, forward this form along with the Bonus Pay Authorization form to Headquarters. Headquarters shall, upon verification that the Selection Standards and Appointment process is complete, forward these forms for further processing.

Appointed applicant(s) (upon verification by Headquarters) shall be notified of their selection and the name(s) posted on all OPS' bulletin boards. In all cases, a copy of the Selection Board List (Specific or Active) shall be posted on all OPS bulletin boards using the format listed in Appendix.

3. Applicants who are not selected shall be personally informed by the Bureau Chief, or, in his absence, the designated Captain, or member of the Selection Board as to the reason(s).
4. If the "Selection Board" rejects an applicant because he/she does not meet the minimum selection standards, these reasons must be communicated directly to the candidate by the Chairman of the Selection Board.
5. The "Selection Board" will review and the Bureau Chief, or, in his absence the designated Captain, shall be responsible for compliance with Selection Standards. To assist in compliance, three exemplar forms have been drafted (see Appendix).

Selection Standards and Criteria

Refer to Bonus Selection Standards Manual for specific criteria. The Bureau Chief, or, in his absence, the designated Captain, will be charged with the responsibility for ensuring that the selection criteria for all Bonus positions are accessible to all concerned OPS personnel.

Bonus Pay Authorization - Process

When it is determined that an individual will be appointed to a Bonus position, with the exception of Training Officer, the Bureau Chief, or, in his absence, the designated Captain, shall forward the Bonus Pay Authorization form through OPS channels to Headquarters for Processing.

Training Officer - Pay Authorization Process

The Training Officer shall receive Bonus pay only during periods when a Trainee is assigned to Training Officer. In such cases, the OPS shall forward a Bonus Pay Authorization form, completed with the assigned Trainee's name, to the concerned Bureau.

The receiving Bureau shall complete the form with the Training Officer's name and return it to Headquarters for Processing.

Relief for Short Term Sick, Injured Personnel or Position Vacancies

Individuals may be assigned to Bonus jobs as relief for short term sick, injured personnel or position vacancies. (Short term = off or unable to perform the job for 30-days or less.)

This assignment will not be authorized for payment of the Bonus. Officers shall not be assigned to these relief positions in excess of 20 working days within a three-month increment.

Should the assignment of an individual as relief exceed 20 working days, that relief person shall, however, receive Bonus for the following three-month increment. This would take effect on the first day of the upcoming month. The Bonus would be paid whether or not the relief person continues to perform the Bonus job. The relief personnel would not be considered as regular Bonus personnel beyond one quarter, unless formally appointed as regular.

It shall be the responsibility of the Bureau Chief, or, in his absence, the designated Captain, to ensure that personnel assigned as temporary relief for Bonus positions do not exceed this 20-day limit. Should the individual be assigned in excess of 20 working days within a three-month increment to a Bonus position, the Bureau Chief, or, in his absence, the designated Captain, shall process a Bonus Pay Authorization through proper channels.

The box "Other" shall indicate that the individual exceeded the 20-day limit.

TEMPORARY ASSIGNMENT TO BONUS LEVEL JOBS

Relief for Long Term Sick or Injured Personnel

Individuals who are assigned to Bonus level positions as relief for long term sick or injured personnel (long term = off or unable to perform the job for 30 days or more) shall be authorized to receive Bonus payment. The same three-month increment assignment rule applies to the appointment of relief personnel and therefore an overlap payment period will exist where it is necessary to fill in behind sick or injured personnel. It is, however, intended that relief personnel be appointed with the understanding that at the end of the three months they are subject to automatic removal. The Assistant Chief or, in his absence, the designated Captain, shall inform the individual selected, in writing, of their status of "temporary relief." The procedures for notification processes for selection and Bonus pay authorization shall be the same as those for regular Bonuses.

Waiver of Selection Standards

No waiver of Selection Standards shall be authorized if any fully qualified employee has applied for the Bonus position. If after the filing deadline has passed and the Selection Board finds that no applicant meets all of the minimum qualifications for the Bonus position, this shall cause the issuance of an OPS memorandum or Bureau memorandum for unit specific positions which shall explain that no fully qualified applicant was identified and that all other Officers are free to apply for the position. An approved Waiver of Selection Standards must bear the signature of the Assistant Chief or, in his absence, the designated Captain, and be posted on all OPS bulletin boards.

In order to control this process, a Request for Waiver of Bonus Selection Standards form will be completed and placed in the concerned employee's personnel file (see Appendix).

Bonus Pay - Effective Dates

Authorization to receive Bonus pay granted between the 1st and 15th of the month shall become effective from the first of the month. Authorizations granted between the 16th and the 31st of the month shall become effective on the 1st of the following month. The Bonus payment shall be awarded in three-month increments. Once assigned, the employee shall receive this Bonus for the entire three-month increment, regardless of subsequent reassignment during the three-month period (except upon voluntary transfer.)

Upon voluntary transfer from the position, the Bonus is removed at the end of the three-month increment.

Bonus Pay - Relating to Retirement

Bonus pay is considered as a base pay and will be computed toward retirement.

Bonus Pay - Relating to Overtime

Overtime paid to personnel receiving the Bonus shall be computed based upon the Bonus pay irrespective of the position in which the overtime was worked.

Criteria for Removal from Bonus Level Assignments

In determining removal of individuals from Bonus level positions, the Bureau Chief or, in his

absence, the designated Captain, shall be governed by the following criteria. The individual being removed must fall within one or more of the following categories:

A. Voluntary relinquishment of the position.

1. If an Officer voluntarily relinquishes a Bonus position, he/she may remain at the Unit unless all of the Bureau's items are designated as Bonus positions.
2. An employee desiring to voluntarily relinquish a Bonus position shall submit a memo to the Bureau Chief requesting to be removed from the position. Upon authorization by the Bureau Chief, the memo shall be forwarded along with a Bonus Pay Authorization form to Headquarters.
3. Voluntary relinquishment of a Bonus position will not require the Assistant Chief's authorization but will be forwarded by Headquarters for processing.

B. Substandard Performance

1. Requires counseling as to areas of deficiency with specific recommendations and guidance for improving performance.
2. The employee shall be given a minimum of one additional three-month period in which to improve performance.

3. An evaluation of the employee's performance verifying removal steps taken shall be forwarded along with the Bonus Pay Authorization form to Headquarters.
4. With the Assistant Chief's authorization and signature, the Bonus Pay Authorization form shall be forwarded to Headquarters for processing. The Bureau Chief shall be responsible for notifying the employee in writing of removal from the Bonus pay.

C. Medical Limitations

1. I.O.D.

In the event an Officer suffers a job-related injury or illness, he/she shall continue to receive the Bonus pay whether or not the Officer's performing a Bonus job during the period the employee's case is either pending or carried under Worker's Compensation as temporarily disabled, and up to such time as he/she is either fully recovered or rated as permanent or stationary. At such time, a continuation of the Bonus pay shall be based upon reevaluation of the Officer's fitness to perform at a Bonus level.

Should the employee file for a disability retirement as a result of the injury sustained while working a Bonus assignment, the Bonus payment will continue pending the outcome of the retirement hearing. Should the Officer

not retire, the continuation of Bonus pay is intended to be based upon a reevaluation of the Officer's fitness to perform at the Bonus level.

2. **Illness or Injury Not Related to Work.** If an Officer is off duty or unable to perform the Bonus job for more than one month due to an illness or injury unrelated to work, the Bonus payment shall stop at the end of the three-month increment in which the individual was unable to return to work or to perform the Bonus level job for that length of time (extended illness or injury which the employee is unable to return to work with a medical release certifies the Officer capable of performing the job with no medical limitations).
 3. **Return to Work From Illness or Injury.** When an Officer has recovered sufficiently to return to work after having been removed from the Bonus pay, he shall be returned to his Unit of assignment and to the Bonus position if medically certified as able to perform the job.
- D. **Disciplinary - Result of Founded Administrative Investigations.** (1) May be criteria for removal depending upon the seriousness of the violation and the extent to which it compromised the employee's job competency. (2) Shall be applied in conjunction with overall evaluation of employee competency in the Bonus position. (3) Shall not be used in lieu of existing disciplinary avenues available.

1. The intent being that the investigation result from some action by the employee related directly to the job for which the Bonus is given, and that in all cases the removal of a Bonus be justified standing alone. The incident, by itself, must be significant enough to warrant removal from the position and to indicate the individual to be a hazard/detriment to himself, other individuals or to OPS should he continue in the position.

E. Position (Job) Status Change

1. Budget elimination of the job.

It is not only intended but mandatory as a part of this Bonus system that there be no situation in which the Bonus money is removed and the job remain. Any budget reductions must impact a job in its entirety and not the Bonus as a separate entity.

2. Realignment/Reallocation of the Job.

Any realignment/reallocation of Bonus positions shall be made at the Bureau level. These changes may result from staffing pattern changes, contract increases or decreases, etc. It is intended that realignment be determined at the Bureau level to ensure consistency of rationale and approach.

F. Job Limitations and Duration

It is anticipated that certain jobs may have automatic limitations and duration of assignment. For example, a Training Officer will receive the Bonus only so long as

he has a trainee and to a maximum of six months per individual trainee. After six months, should the trainee need further training he shall be assigned to another Training Officer.

G. Removal Authorization

Justification for removal from a Bonus position other than voluntary relinquishment shall be documented and submitted to the Bureau Chief or, in his absence, the designated Captain, for his review, concurrence, and authorization.

Reports of Filled Bonus Positions

Management shall be responsible for submitting a monthly report to the Bureau Chief of all authorized and unauthorized filled Bonus positions.

Increasing the Numbers of Personnel Assigned to Bonus Jobs

All increases in the numbers of personnel assigned to Bonus positions shall require the authorization of the Bureau Chief or, in his absence, the designated Captain. This applies to the realignment of Officer items resulting in an increase in the allocation of existing Bonus Level jobs.

Creation of New Bonus Level Jobs

All requests for the creation and designation of new jobs as Bonus Level positions and/or the reevaluation of existing jobs for purposes of designating them as Bonus Level positions shall be submitted through OPS channels to Headquarters by

September 1st of each year. This shall be a once-a-year process requiring the Chief's approval for the process to begin. Headquarters is responsible for reviewing and submitting these requests to the Chief for final authorization.

Grievance Procedure

An applicant for a Bonus Level position may file a grievance if dissatisfied with the results of his/her application.
